

PRIMARY & ELEMENTARY

Art Class

Where Creativity Comes to Life!

Create • Explore • Imagine

Join us for a fun and engaging art class where children discover the joy of creating through a variety of hands-on projects! Students will explore different art materials and techniques while developing creativity, fine motor skills, confidence, and self-expression.

ages 3 and up

Mrs. Perkins has a bachelor's degree in Language and Literacy. She believes that art is another language children use to communicate their ideas, emotions, and imagination. She provides a nurturing environment where every child feels inspired to explore, experiment, and create with confidence.

Explore a variety of art materials and techniques

Build creativity, confidence and self-expression

Develop fine motor skills and focus

Learn about famous artists and art from around the world

Have fun while creating original works of art!
